Dear Mr Beresford,

I have checked with our compliance team who will take no further action until we receive a formal application. With regard to the yellow notice you can remove this from the site as the application has now been withdrawn.

If you would like to make a formal complaint regarding the new access you will have to do this on-line via the complaints procedure.

Dear Ms Chapman,

I have booked Chris Moore to undertake the planning application for me but because of holidays, he is not available until the end of August, is this alright?

Also, shall I remove the yellow notice opposite me or is that something you do? (when you might look at the new drive put in)

Kind regards,

Richard Beresford

Dear Ms Chapman,

Further to our telephone conversation, would you please withdraw my application AL/34/14/CLE and I confirm that I will be consulting with an architect with the view to submitting a full plan for conversion to an annex.

Thank you for your advice and help in this matter.

Best regards,

Richard Beresford

Dear Ms Chapman,

Having attended Aldingbourne PC meeting last night and received support for the improved quality and appearance of my Coach House refurbishment, I was horrified to see the consultation report on your website recommending refusal.

This has been a big tidy up project for the site and ADC asks questions that I have not been asked to reply to, including non signing of statement which was not requested, it was supposed to be a helpful background.

Why does your consultant ask what is stored in the building? it is an out building on my property and therefore stores my property, as it has done for the last 32 years. He states the building was dilapidated, did he inspect it prior to refurbishment?

Perhaps your consultant would like to meet with me to get a full understanding of what has been carried out, I assume he has never been on site.

Do I need to engage a solicitor to respond? Or can you please tell me the best direction to proceed.

I would be grateful for yours or someone's help and advice on this matter.

Yours sincerely,

Richard Beresford
