Dear Mrs Johnson

re: 6 Elmcroft Place Westergate PO20 3XL

I refer to this email and the following mail requesting a site plan at a scale of 1:500/1:200 including measurements from the proposal to the site boundaries.

With regard to foul water the property is already connected to main drainage, no works to increase/decrease sanitary fittings etc is proposed.

The submitted drawings include a site plan at a scale of 1:200. Please find attached an amended site plan revised to include the measurements requested.

I trust the application can now proceed, any further queries please contact.

Yours sincerely

Mark D. Bone

Mr Bone,

I am in the process of validating the above application.

The site falls within the Lidsey Drainage Embargo so I will need confirmation that any new plumbing connections will be connecting to the mains.

Thank you,
Mrs Johnson
