Dear Sarah,

I have seen this morning that your ecologist and outs are in email conversation so there is no need to provide a contact number.

I have no concerns with the other aspects of the amendments and subject to resolution of the bat issue, would be able to recommend approval.

Kind Regards

Hi Simon,

Just by way of an update, I requested our consultant ecologist to contact the councils ecologist, he's now on leave so not sure if he's had a response – do you have a telephone number for them, as may help speed up liaison on his return next week?

In respect of any other aspects of AL/34/22/PL, our Client is keen to understand any initial comments re. the proposed design changes, are you minded to recommend the application for approval subject to resolution of the above?

Might be worth a catch-up call on this and other matters when you have a moment?

Kind Regards,

Sarah
