Hi Simon,

Thank you for querying this and confirming approach.

As requested, please find attached the Interim Surface Water Verification Report required under Condition 35 of planning permission AL/34/22/PL which relates to plots 1-27 only and therefore fulfils the pre-occupation requirement for these plots.

As suggested previously, a further verification report will be submitted for the remainder of the site in due course.

Kind Regards,

Sarah

Dear Sarah,

I have just spoken with the Group Head of Planning and he agrees with your approach so no need for you to submit a DOC. Can you resend the document/s to me and I will add to the file and send to engineers on a FYI basis only.

Sorry to mess you around.
