Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: AL/35/21/DOC
Site Address: Norton Farm House Norton Lane Norton PO20 3NH
Description of works: Approval of details reserved by condition imposed on AL/34/20/PL relating to condition 5-site plan showing details of hard landscaping.

Thank you for your internet representation made on 28th April 2021 which has been recorded as an objection with the comments as follows:

OWPC35527

The proposed landscaping is fully visible from our property, and it is as such a new driveway and entrance to a separate dwelling (not a wooden structure carport as per approved planning). This new dwelling and the driveway and brick pillars with electrical cables represent a new development for which there has been no planning or indeed approval of such. The area has been defaced, old natural habitat destroyed in a conservation area I may add, and as such it has created a new development for living separate to the Grade II listed property.

Therefore I fully object to an illegal act of building without permission and destroying natural habitat in our conservation area.

Your views as made above will be considered before the application is determined.
