Subject: RE: Planning Consultation on: AL/35/21/DOC

Dear Amy,

I have few comments regarding the hard landscaping proposals for this site. The applicant has proposed permeable block paving which is preferable to an impermeable surface, we would have scrutinised this in more detail had the relevant surface water drainage condition (PCENG2) been applied on AL/34/20/PL. Given that condition was not applied (despite our request for it) I am not in a position to be able to comment further on the proposal.

Kind Regards
