

Profile view of the proposed highway showing elevation (Level in meters) versus stationing. The profile includes a proposed pavement line, a proposed highway line, and a datum line. Key points include Proposed Highway elevations at stations 10,000 (10.555), 30,000 (10.676), 40,000 (10.757), 50,000 (10.811), 70,000 (10.976), and 90,000 (11.127). The datum is at 9.000m. The existing ground level is shown as a dashed line.

Stationing	Proposed Highway Level (m)	Proposed Pavement Level (m)	Existing Ground Level (m)
0.000	-	-	10.571
10.000	10.555	-	10.409
30.000	10.676	-	10.402
40.000	10.757	-	10.432
50.000	10.811	-	10.478
70.000	10.976	-	10.552
90.000	11.127	-	10.608
