Upon reading in Sussex Express on Saturday morning of the above I strongly object on the grounds of how dangerous it will be. I object in view of the recent bad accidents on our stretch of the A29 and the decisions of Highways need to be reviewed as the road has got a lot worse since then. As you come out of Meadow Way there is from the right-hand (offside) a blind bend.

Please could this decision to build all these houses with probably 2+ cars be overturned for safety sake.PLEASE COULD THIS DECISION TO BUILD ALL THESE HOUSES BE REVIEWED AND THE STATE OF THE SAFETY OF THE A29 AT OUR END.
