Thank you for your recent application which I received on 29th March 2021. It is being validated by Ms Iqraa Malik who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

**Lidsey Foul Water - Environmental Assessment Statement**

The site for this planning application lies within the Lidsey Foul Water Treatment Catchment Area, please confirm whether your scheme is going to involve works which would require connection to foul drainage and whether you will be connecting to the existing public mains drainage system. If you are not and you will be connecting into a septic tank, cesspool or other means of private independent facility, you will need to submit an environmental assessment. Further details of what should be included in the statement can be found in the Validation Requirements List.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <http://www.arun.gov.uk/making-a-planning-application>  
If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of

reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

Please provide the above by **13th April 2021** or your application will be closed as incomplete and you will have to resubmit if you wish to proceed. If you have difficulty meeting this deadline please contact the above officer to discuss the matter.

If you made a paper application and did not provide an email address, please could you do so to enable us to contact you swiftly with any queries or issues.

Yours sincerely

**Neil Crowther**  
**Group Head of Planning**

**PLEASE NOTE:** Essential IT work will be carried out during the week of 12 April 2021 and there will be no access to the planning records on the website. It will not be possible to follow the progress of an application, view any documents or make on line comments. To ensure that no one is disadvantaged the publicity period will be extended by a week on planning applications where the publicity period falls over this week. The site notices and documentation will quote the extended date if this is applicable.

If you do need to contact the case officer during this week you will need to be able to provide the exact reference number and as much detail as possible. The service will be extremely limited and it would be best to contact us either before 12 April, or after, when the work is completed on 19 April 2021.
