Dear Mr. Chapple,

Re: Application for listed building
consent to board loft space, install
light & folding loft ladder at
The Lodge, Aldingbourne Drive
Crockerhill

Thank you for your letter
of 29th April. I now submit
the details which I hope
meet with your requirements
for the above.

The loft space is required
merely for storage purposes
and for access to the water
tanks etc. and we may
find that we only
need to partially board it
in that case, but it would

be nice to have the
necessary consent should
we manage to do the
whole area.

Yours sincerely
