24th May 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015

Orangery to rear elevation. This application affects the character & appearance of the Norton Lane, Norton Conservation Area.

Easter Cottage Old Dairy Lane Norton Aldingbourne

Thank you for your internet representation made on 23rd May 2018 which has been recorded as '**support**' with the comments as follows:

I note the Objection by Francis Newman. These relate to restrictive covenants and do not have any bearing on my planning application. I shall only be in breach if I actually build the Orangery . If I do my legal advice is that it has no material impact on their rights, and as such I do not need their permission, nor need to pay them to approve the plans. I will happily let them take the issue to a higher level rather than trouble the Planning Dept. This is a irrelevant objection to my application , and does not warrant reading

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

Planning operates an 'open file' policy and will publish details of your comments on the website. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website <https://www.arun.gov.uk/planning-privacy-statements>.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
