Dear Maria,

As far as I am concerned this condition may be discharged. However, please can you run the plans past the Tree Officer to check that he is happy with the soakaway within the tree root protection zone? I am comfortable that it will not affect the function of the soakaway but he may think that the soakaway will harm the tree roots, it is unfortunately not my area of expertise.

Assuming that he is satisfied then I am happy to recommend that the condition is discharged.

Kind regards
