1 Metre Invert Pipe

2800 Litre Septic Tank. The Original Onion Shaped Septic Tank!
Dimensions: Diameter 1.9 Metre x Height 2.5 Metres

This tank is one of the UK's favourite septic tanks, and has been around for over 20 years. It is made from fibreglass and requires a concrete base and blanket when installing it. These tanks are approved by UK Building Regs and The Environment Agency.

BUILT IN BAFFLE :The onion shape septic tank has a built in baffle, which separates the solids from the liquids allowing a cleaner discharge into the ground.

Did you know every septic tank needs a soakaway?
