Good Afternoon

Thank you for the amended plans. Please can you confirm your acceptance of the description including measurements:

Installation of a 40ft (12m) container housing an autofeed Biomass Boiler and associated equipment to replace existing boiler and installation of a 20ft (6m) container housing plant room for blown air for existing log drying business.

Kind Regards

Nicky Moore

Mike/Andrius

They will not accept the noise information we have sent for this site as it is not in English. Any chance we could source something else?
