Dear Mr Ward,

I am the case officer on your application AL/39/21/PL at Little Beechfield, Dukes Road.

I have received comments from environmental health which I attach this above.

The have asked for additional information relating to

- The predicted rated thermal input
- Whether the boiler is burning waste or waste-derived biomass
- If the boiler is burning waste or waste-derived biomass, please confirm the hourly aggregate capacity

Please are you able to answer and send to me so I can then re consult them.

Thank you

Amber Willard
