Hi Amber,

Thank you for forwarding on the information.
I am satisfied that the biomass boiler will not require a permit.

No acoustic assessment has been submitted,

Sincerely, Craig

Craig Milligan

Hi

Please are you able to provide an updated comment following the additional info that was required below in response to your original consultation which I attach as the app expired last week.

I also attach plans to show noise levels.

Thank you

Amber Willard

Planning Officer

Hi Lee,

The boiler is 230 kW capacity
The boiler is going to be fuel with woodchip
Boiler will not be used to burn waste.

Kind regards,

All work is carried out and goods are supplied subject to our Terms and Conditions of Sale which can be found on our website [here](#).

Dear Mr Ward,

I am the case officer on your application AL/39/21/PL at Little Beechfield, Dukes Road.

I have received comments from environmental health which I attach this above.

The have asked for additional information relating to

- The predicted rated thermal input
- Whether the boiler is burning waste or waste-derived biomass
- If the boiler is burning waste or waste-derived biomass, please confirm the hourly aggregate capacity

Please are you able to answer and send to me so I can then re consult them.

Thank you

Amber Willard
