Hi Nicky,

Thank you for coming back to me so promptly, I hope you enjoyed your time off.

Yes I can confirm all appropriate notices have been served accordingly.

Look forward to receiving validation confirmation shortly.

Many thanks,

Natalie

Hi Natalie

With reference to your email below, firstly, please accept my apologies for the delay in replying, I have just returned today from annual leave.

I have checked the red edge which now looks fine. As the red edge has been amended, can you confirm that the correct notice has been served on all relevant parties?

Kind Regards

Nicky

Hi Nicola,

Many thanks for your phone call this afternoon, much appreciated.

As discussed, please find attached location plan extending across the pavements at both Cedar House and Long Meadow to include the visibility splays indicated within the Transport Statement.

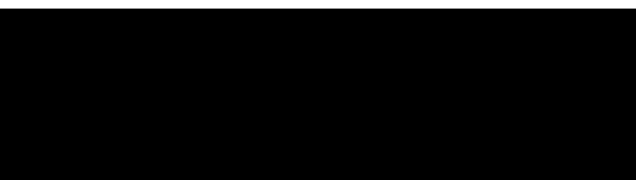

I do hope this is acceptable to you to enable validation?

Have a nice weekend / break.

Many thanks,

Natalie

Hi Nicola,

Thank you for your additional letter.

The amended location plan sent earlier this morning (attached) is extended over the entire existing pavement and covers all land for the proposed development, including the visibility splays indicated in the Transport Statement and proposed site plan.

The 2 new proposed accesses / visibility splays are located within the site and up to the existing road, as per the attached amended location plan emailed this morning.

I would be grateful if you could confirm exactly what you require amending?

Many thanks,

Natalie
