Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5**

Application No: AL/39/22/OUT  
Site Address: Land to South of Dukes Road Fontwell Arundel BN18 0SP  
Description of works: Outline application with some matters reserved (appearance, landscape and scale) for the erection 9 No. residential dwellings. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 22nd April 2022 which has been recorded as an objection with the comments as follows:

OWPC46923

The proposed number of houses on this parcel of land is not in keeping with the rest of the road. The proposal would add another 50% to the existing volume of houses on Dukes Road in a far smaller area. The proposal is on land directly opposite the South Downs National Park and would add a small section of higher density housing to an otherwise lower density area. A proposal for 4 or less houses would be far more appropriate.

Dukes road is poorly maintained with hedges encroaching onto the road from the Northern side, and would require significant enhancements along its length to support an increase in housing of circa 50%. A visit to the site would make it clear that the density of housing is too high and the proposal should be for no more than 4 houses.

Your views as made above will be considered before the application is determined.
