Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AL/39/22/OUT
Site Address: Land to South of Dukes Road Fontwell Arundel BN18 0SP
Description of works: Outline application with some matters reserved (appearance, landscape and scale) for the erection 9 No. residential dwellings. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 16th May 2022 which has been recorded as an objection with the comments as follows:

OWPC47528

In regards to your proposed development of an additional 9 houses off Dukes Road.

Further building in this area will place the infrastructure of this community into uncertainty. We already have development and building projects all around our Fontwell, Arundel, Eastergate and Chichester. This accumulation of 1000's of new housing accumulates to twice the amount of cars and people. The surrounding roads can't cope as it is and will all be using Dukes road and Slindon Bottom Road, which are bot full of pot holes and have no speed restrictions on them allowing anyone to drive at any speed they like down these suburban country roads. Both Dukes and Slindon Bottom Roads provide a convenient cut through from the A27. With these 9 additional houses it will bring further cars, damaging the road, adding to pollution, which is going to be congested from the cut through traffic of these new developments, not to mention my neighbours who have lived peacefully for many years now having to face possible building works in their back garden.

We live in a rural area on the boarder of the south downs which is supposed to be an area on natural beauty. We have many dogs. horses and other animals in our area and with the constant prospect of continual lorries driving up and down Dukes road this is going to bring a lot of misery to everyone.

I know as I building company they are doing it for the money only. They have not assessed the environmental and personal impact it is going to have on the area and us.

Don't just read then discard our comments. We are taking the time to write for a reason. People come to our

area to walk and look at the beauty of the countryside, they don't come to our area to look at a housing estate.

Regards
Miss Matthews
