Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AL/39/22/OUT
Site Address: Land to South of Dukes Road Fontwell Arundel BN18 0SP
Description of works: Outline application with some matters reserved (appearance, landscape and scale) for the erection 9 No. residential dwellings. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 19th May 2022 which has been recorded as an objection with the comments as follows:

OWPC47645

This amount of extra housing would be unsuitable for Dukes Road because of the extra traffic onto a narrow country road, which is already under threat from the A27 development. The road users include many horses and cyclists (designated cycle route). The amount of houses suggested is too many for the plot size and therefore not in keeping with the rest of the properties on Dukes Road. As this single track road closely borders the Southdowns national park it would be inappropriate to build on this green field site. I feel it is unnecessary to add to the already huge number of houses being built in Fontwell and surroundings due to the lack of local amenities and infrastructure, not to mention lack of Doctors and medical facilities.

Your views as made above will be considered before the application is determined.
