Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AL/39/22/OUT
Site Address: Land to South of Dukes Road Fontwell Arundel BN18 0SP
Description of works: Outline application with some matters reserved (appearance, landscape and scale) for the erection 9 No. residential dwellings. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 20th May 2022 which has been recorded as an objection with the comments as follows:

OWPC47664

This proposal goes against Arun's development plan.

Dukes Road is a narrow road and two vehicles can only pass at the few passing places. It is adjacent to the SDNP and the National Trust Slindon Estate and is used by pedestrians, cyclists, horse riders and dog walkers. A well-used bridle path runs across the road between the underpass and Slindon Woods.

The site a habitat for a variety of wildlife and to develop it would be detrimental to the rural environment. 9 houses would be a huge increase to the existing 24 houses on Dukes Road and would mean a corresponding increase in traffic with most likely in the region of 20 additional vehicles. The proposed plans are completely out of character with the local environment being a housing estate. The hard landscaping may also add to local surface water flooding problems.

There is already considerable development around Fontwell which will cause additional pressure on local services such as GPs and schools and increased traffic and concerns have been raised about the likely impact on Dukes Road being used as a cut through to avoid delays on the A27.

I wish to object to the outline application for the development of this Dukes Road site.

Your views as made above will be considered before the application is determined.
