Morning David

I have been advised that TW agrees to the extension of time, with the proviso that the 106 draft is circulated asap to minimise time taken to finalise the agreement post committee. I note that you have said that we will have a draft by the end of the week, but if that could be asap this week, we would be grateful.

Please could you confirm that, with drainage aside (that we are liaising with your drainage colleagues on), there are no further issues / information requirements for the application?

Kind regards

David

Dear David,

The above application is due to be presented to the development control committee on the 27th June and the S106 will need to be completed prior to the decision being issued.

Therefore, I would be grateful if you could please provide written confirmation of your agreement to an extension of time for the determination of this application until the 5th July 2019.

Please do not hesitate to contact me should you wish to discuss the above.

Kind regards,
David
