

DESIGN AND ACCESS STATEMENT

Hopgarden Cottage, Westergate Street, PO20 3RJ

1. The contractor, Timber Windows, has been chosen after careful consideration of their track record and experience with listed buildings. A detailed inspection has already been carried out by them in order to ensure that the window replacements will be entirely in keeping with the special architectural and historic features of this Grade 2 listed dwelling.
2. Timber Windows display a passion for wood which is reflected in the quality and appearance of their products. It is believed that any installation will be preceded by a further careful assessment of the building to ensure that the installation does not lead to any damage to the fabric of the property.
3. It is not believed that such installation will cause any problems with access.
4. Timber Windows have indicated that they are entirely happy to respond to any technical queries or concerns that may arise out of this application.
