Dear Mrs Johnson

Further to my application seeking listed building consent for the replacement of windows throughout the property at Hop Garden Cottage Westergate Street Westergate PO20 3RJ, I have received a letter today from Mr Neil Crowther, Group Head of Planning asking me to provide a 1:500 Block Plan and that I need to confirm the numbers of windows being replaced. He has also advised me that you are the Validating Officer for this application. I trust that it is in order for me to send the requested information to you directly.

I have just now purchased a 1:500 plan electronically from ReQuestaPlan and have attached it to this email. I am also able to confirm that 13 windows are under consideration for replacement.

I seek your indulgence for any deficiencies in my application and I also thank you for your kind patience in dealing with this matter. I shall strive my utmost to provide further information as and when required.

Regards,

Yours sincerely,
