09.01.22

Dear Sirs,

Application Ref: AL/59/19/HH – Condition 5

With reference to the attached application for discharge of condition 5, I would point out that this has practically been included in the discharge of condition 4 (approved) as the final approved surface water drainage scheme included for discharge of flow into a watercourse, for ease of reference I have therefore attached the approval document for condition 4 and the documents referenced therein, namely:

- Stanwick-BPS PL03 Attenuation rev D
- Drainage Layout Drawing 2021_P0137_002
- Attenuation Design Drawing 2021_P1037_001
- CL-0070-2000-0400-2000_Design_Drawing

Approval for these works has also been granted by West Sussex Flood Risk Partnership, I have therefore attached the approval documents for this, namely:

- Land Drainage Works Approval Letter – Stanwick, Northfields Lane, Aldingbourne
- Ordinary Watercourse Land Drainage Consent

If you require copies of any other documents pertaining to the discharge of condition 4 please let me know.

Yours Sincerely

Giles Vos
