Aldingbourne House Crockerhill Road

Now Aldingbourne Hospital. Late C18 or early C19 mansion. Two storeys. Seven windows. White brick. Stuccoed stringcourse. Cornice and parapet. Curved bay of three windows in centre of south front on both floors. Round-headed windows on ground floor. Large verandah on both floors, added about 1814 with slender coupled iron columns and cornice of lacy ironwork, the sides now glazed. The west front has two curved bays of one window each, two lunette-shaped dormers, a balustraded portico between the bays with four pairs of Doric columns and two Venetian windows on first floor above the portico. Modern hospital additions to north.
