Dear Ms Moore,

Further to the email received from Neil Crowther dated 09/04/2021, please find the following drawings as requested:

Location Plan (existing and proposed)., Block Plan (existing) and Block Plan (proposed).

I confirm that the plan showing Byfields and Nightingale Cottage can be used for information only.

The measurements to boundaries from the proposed development are:

To the east (Byfields): 2.8 metres.

To the west (garden wall) 1.5 metres.

I should like to substitute Drawing 14 (showing vehicle crossover) with Drawing 14A.

Thankyou for your help in this matter.

Kind regards,

Elizabeth Halton
