Good evening,

I have re-measured the distance between the eastern elevation of Byfields and the western elevation of the proposed house on AutoCAD and it is 2.8 m.

Kind regards,

Elizabeth Halton

Dear Ms Halton

Thank you for confirming the Block Plan. On checking the measurements to the boundaries, I have measured the distance to the East (Byfield) to be approx. 1.4m. However, in your email of 10th April you have the measurement at 2.8m.

Please could you check and confirm the correct measurements.

Kind Regards

Nicky Moore
