Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: AL/44/22/HH
Site Address: Norton Farm House Norton Lane Norton PO20 3NH
Description of works: Installation of glazed link to garage and alterations to existing fenestration/openings. (This application may affect the character and appearance of the Norton Lane, Norton Conservation Area and a Listed Building.)

Thank you for your internet representation made on 12th May 2022 which has been recorded as an objection with the comments as follows:

OWQC47440

The Parish Council has objected to this on several occasions under previous applications. This development is out of character within the setting of a listed building, and is overdevelopment of the site (ANDP H3, EH8, & EE7). The roof light design also impacts on dark skies area (EH10). This is not an extension of the building but a new development in its own right and is linked to a building that is subject to enforcement by ADC. The alterations to existing fenestrations/openings are not in keeping with the character of the building.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at [:https://www.arun.gov.uk/what-happens-next](https://www.arun.gov.uk/what-happens-next).

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has

been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
