Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: AL/44/22/HH
Site Address: Norton Farm House Norton Lane Norton PO20 3NH
Description of works: Installation of glazed link to garage and alterations to existing fenestration/openings. (This application may affect the character and appearance of the Norton Lane, Norton Conservation Area and a Listed Building.)

Thank you for your internet representation made on 22nd May 2022 which has been recorded as an objection with the comments as follows:

OWPC47675

I object to this planning application on a few points;

This application relates to a Listed Building but there is no evidence on the Council's website that a listed building application has been made. Why is there no Listed Building application?

Why has the Council accepted this application which indicates a glass link extension to a building which was built without planning permission and is subject to an Enforcement Order together with a Temporary Stop Notice issued by yourselves? The retrospective applications were refused - AL/85/21/PL and AL/86/21/L.

Previous conditions of the approved planning permission for an oak framed triple garage - AL/34/20/PL & AL/35/20/L - have still not been complied with, what is the point of planning permissions and conditions if applicants do not have to comply?

I find the drawings somewhat confusing and maybe done on purpose to mislead by not showing the full extent of the measurements of the illegal garage building with glass link. The application AL/34/20/PL & AL/35/20/L which was permitted and not built, the drawings & measurements for the oak frame building in relation to the adjacent building were not depicted with the correct measurements and were totally misleading.

The application has been made by a James Griffiths who doesn't own the building, did he serve notice on the owner/s?

Your views as made above will be considered before the application is determined.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
