Dear Mr Griffiths,

I am the officer on your application at Norton Farm House. AL/44/22/HH

I will be putting up the site notice tomorrow and just wanted to check the description.

I saw that validation amended it so that it includes 'erection of single storey north extension.'

Having looked at the plans it doesn't appear there will be any extension to the size with the works to change the layout all internal.

Is this correct? In which case I will remove this part from the description so it will read

' Installation of glazed link to garage and alterations to existing fenestration/openings'

Thanks

Amber Willard
