Dear Simon

**Re your ref AL/45/18/PL Global Technologies Racing Ltd Denmans Lane
Fontwell West Sussex BN18 0SU**

Further your telephone voice mail message re the above concerning the responses from the consulties I hope the following is helpful

1. Global Technologies Racing Ltd policy on all waste produced, be-it liquid or solid is one of total containment.
2. Any component de-greasing as and when required is carried out in a closed circuit cabinet, which is recycled by the specialist supplier when necessary
3. In 2016-17 as part of redevelopment, see **Re your ref AL/58/16/PL** a new 38,000 cesspit complete automatic level alarm was installed for the collection of foul and gray water with disposal under contract With messers P J Cole Ltd Bordon Hants
4. As part the above a new 150 + space car park was installed with the relevant SUDS and recently approved by the relevant bodies
5. Dust and solid waste is collected in the appropriate manner as required by the Health and safety at Work Act and disposed of under contract by Biffa Industrial Waste Ltd
6. Roof collected Rain water flows to soak-aways

I hope this all makes sense, however should require any further information please don't hesitate to contact me

Kind regards
