Technical Support Unit on extn. 37711

27th April 2017

Dear Mr Anthony Chubb

Development:

Erection of new 2.40m high green, anti-climb, temporary fence to Sack Lane boundary. The new temporary fence is to replace an existing 2.00m high 'Heras' panels & scaffold tubes temporary fence erected in 2013 by contractors working for West Sussex County Council, after the County Council's contractors erroneously removed the well-established, possibly ancient hedgerow.

The new temporary fence is needed to provide improved security to 'Mapsons' and a better appearance for local residents & neighbours, than that provided by existing temporary fence, whilst legal action is pursued by the applicants against West Sussex County Council, and the hedgerow is subsequently re-planted and allowed to grow and become established.

Location:

Mapsons Lidsey Road BOGNOR REGIS
