Dear Mr. Jones,

Thanks for your 'phone discussions today.

I can confirm that the applicants wish the replacement fence along the Sack Lane boundary to be a permanent one, and not a temporary fence as the current application states.

As a result, I would be grateful if the current application can be formally withdrawn.

I will then amend the drawing title, supporting statement document and application forms etc. and re-submit the application accordingly.

Kind regards,

**TONY CHUBB.**

Dear Mr. Jones,

I am the Agent for the application mentioned above, ref: AL/47/17/HH.

Would it be possible for you to give me a call please on [REDACTED], as a matter of urgency, as I need to discuss a change to the application.

The change is such that I don't know whether it could be accommodated within the current process, with an amended drawing & supporting statement, or whether the application would need to be withdrawn and re-submitted. So I would be grateful for a discussion and your advice.

I look forward to hearing from you.

Kind regards,

**TONY CHUBB.**
