Hi Simon

My only comment on this would be to request that on the GA LLD944/01 Rev 4 drawing that they submit the actual numbers/size and density of planting for the Native buffer areas and specimen tree planting.

Regards

Hi Sue,

I've no idea why this keeps going out blank (understand you emailed Zac about this yesterday). Here are the docs.

They are re-discharging the landscape conditions but only in respect of hard landscaping/surface changes. If you have any comments, I'd be grateful.

Please note that conditions 10 & 18 are the same LAW3 standard landscaping condition, it was just put on twice.

Kind Regards
