Congratulations Lisa!

You have passed:

Level 2 Award in Food Safety for Catering

A certified and interactive online training course meeting the UK standards for food hygiene & safety.

We hope that you enjoyed the course and would appreciate any feedback.

We also hope that you'll remember High Speed Training when other staff within your organisation require similar training. Current special offers include:

20% discount on orders of **50** or more

Enclosed is your certificate, please keep this safe as a record that you have undertaken training.

EC regulation 852 states that all food handlers must be trained in food hygiene matters commensurate with their work activity. Your certificate can be used as proof that you have undertaken a certified training course relevant to your job role and satisfied your legal obligation.

We recommend our Level 3 Supervising Food Safety course, approved by Environmental Health Officers for all managers and supervisors.

Thank you for using High Speed Training.

Best Regards
