Dear Simon,

Thanks. We will upload the objection letter as you have attached.

As to your question, I note that the description was amended yesterday when I was not here. It now reads:

"Retention of hardstanding, internal & external changes to existing carport to allow a change of use of this part, retention of garden shed, retention of carport/garden store & erection of single storey link extension between existing dwelling house & carport. This application affects the character & appearance of the Norton Lane, Norton Conservation Area."

Kind Regards

Simon, Hope all is well with you.

Yesterday I asked a question about the description of the above application. This has not been answered but entered as an objection.

Not a major issue, but I have attached my formal objection to this e mail. Can this please be posted. It included very relevant photos. If these do not come through please let me know.

Regards

Simon
