Dear Mr Davis

The Parish Council considered this application at its meeting on 12th June 2018.

The Committee were mindful to object to the glazing on the link proposal as it is contrary to policy Hi of the APC NP and concern was also expressed regarding light pollution from the amount of glazing shown on the plans.

The applicant attended the meeting and suggested that the windows could be removed leaving the bi fold door and roof light.

Subject vto the applicant submitting plans to show the reduction of glazing the Committee agreed that it would not object at this stage but would reconsider the substitute plans at the full Council meeting in July.

I understand that the applicant has today submitted new plans.

Kind Regards

Joanne Brown
