Dear Simon,

Environmental Health has no objection to this application. However, we would ask that the following conditions be placed on any permission given:

1. Prior to occupation of any of the dwellings, a scheme for the provision of facilities to enable the charging of electric vehicles to serve the approved dwellings shall be submitted to the local planning authority for approval and thereafter implemented in accordance with the approved details and the charge points shall thereafter be permanently retained and maintained in good working condition.

Reason: New petrol and diesel cars / vans will not be sold beyond 2040, and to mitigate against any potential adverse impact of the development on local air quality, in accordance with policy QE DM3 (c) of the Arun Local Plan, the Arun District Council Electric Vehicle Infrastructure Study (November 2017) and the National Planning Policy Framework (NPPF).

2. No development shall take place, including any works of demolition, until a Construction Management Plan has been submitted to, and approved in writing by, the Local Planning Authority. Thereafter the approved Plan shall be implemented and adhered to throughout the entire construction period. The Plan shall provide details as appropriate but not necessarily be restricted to the following matters:-

- a. An indicative programme for carrying out of the works
- b. Details of the arrangements for public engagement / consultation both prior to and continued liaison during the construction works

- c. Measures to minimise the noise (including vibration) generated by the construction process to include hours of work, proposed method of piling for foundations, the careful selection of plant and machinery and use of noise mitigation barrier(s)
- d. Details of any floodlighting, including location, height, type and direction of light sources and intensity of illumination
- e. the parking of vehicles of site operatives and visitors
- f. loading and unloading of plant and materials, including permitted times for deliveries
- g. storage of plant and materials used in constructing the development
- h. the erection and maintenance of security hoarding including decorative displays and facilities for public viewing, where appropriate
- i. the provision of wheel washing facilities and other works required to mitigate the impact of construction upon the public highway (including the provision of temporary Traffic Regulations Orders)
- j. measures to control the emission of dust and dirt during construction
- k. a scheme for recycling / disposing of waste resulting from demolition and construction works i.e. no burning permitted

Reason: To protect the amenity of local residents in accordance with Policy QE SP1 of the Adoption Arun Local Plan 2011 – 2031

3. No construction activities shall take place, other than between 08:00 to 18:00 hours (Monday to Friday) and 08:00 to 13:00 hours (Saturday) with no noisy working activities on Sunday or Bank Holidays

Reason: To protect the amenity of local residents in accordance with Policy QE SP1 of the Adoption Arun Local Plan 2011 – 2031

Regards

Fiona
