Subject: RE: AL/64/20/PL - Breach of Pre-commencement Conditions at Hook Lane -

Dear Philip,

You can monitor the application via the search function on our website (<https://www.arun.gov.uk/weekly-lists> - use ref AL/49/21/DOC) and thus you can see any comments that have been received. I will also alert you to anything important. There is currently a comment from our Archaeologist stating no objection and also some concerns from our Drainage Engineers regarding some of the other conditions most notably the boundary fences condition as no demountable fencing has been shown which is a requirement of the condition. I am not concerned re their comments on condition 14 as the condition does not require approval of ground surfacing. Please review the comments via our website.

Kind Regards
