Dear Mr Dudley,

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2015

Approval of details reserved by condition imposed under ref AL/64/20/PL relating to Condition Nos 5 - pre-commencement site meeting with Tree Officer, 6 - mitigation method statement, 7 - archaeology, 8 - Construction & Environmental Management Plan, 13 - detailed level survey, 14 - materials & finishes, 15 - details of all new screen walls & fences, 16 - landscaping, 18 - energy efficiency measures, 19 - covered & secure cycle parking spaces, 21 - broadband, 22 - charging of electric vehicles and 25 external lighting.

Springfield Hook Lane Aldingbourne PO20 3TE

Notification regarding the above application:

Condition Number 21

Prior to the occupation of any part of the development, a strategy for the provision of the highest available headline speed of broadband provision to future occupants of the site shall be submitted to and approved in writing by the Local Planning Authority. The strategy shall consider the timetable for the delivery of 'superfast broadband' (defined as having a headline access speed of 24Mb or more) in the vicinity of the site (to the extent that such information is available). The strategy shall seek to ensure that upon occupation of a dwelling, the provision of the highest available headline speed of broadband service to that dwelling from a site-wide network is in place and provided as part of the initial highway works and in the construction of frontage thresholds to dwellings that abut the highway. Unless evidence is put forward and agreed in writing by the Local Planning Authority that technological advances for the provision of a broadband service for the majority of potential customers will no longer necessitate below ground infrastructure, the development of the site will continue in accordance with the approved strategy.

Reason: To safeguard the amenities of future residents in accordance with Arun Local Plan policy TEL SP1.

Decision:

Arun District Council have decided to **REFUSE details reserved by condition for the following reasons:**

This condition requires confirmation that the new dwellings will be provided with superfast broadband (defined as having a headline access speed of 24Mb or more). However, there is no such statement whilst drawing 12 "Proposed Air Source Units & BT Plan" simply shows the location of network termination points to each dwelling.

The condition is therefore refused and a revised submission will need to be made.

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely

A handwritten signature in black ink, appearing to be 'NC', followed by a small dot.

Neil Crowther
