Hi Alison,

We haven't had that submitted formally to us yet so I can't reconsult you. I am expecting a resub soon so will issue a consult when that is received.

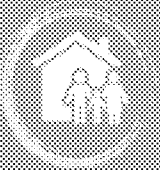

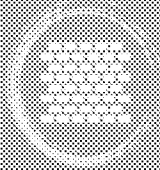

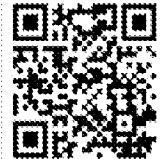

Simon.

Hi Simon - I was just wondering if you have been sent the TA from bright plan regarding AL /49/22 – have you seen it and were you going to consult us?

I don't have capacity to look at this unless its assigned to me in the system, I just wanted to check if it has been sent to us via you yet and if so then what reference has it been sent under so I can check if its been assigned to anyone else? I have a feeling it hasn't as I cant find it anywhere.

Many thanks – Ali

Hi Alison,

Just a quick note to advise that a new access design, Stage 1 RSA and updated TA have been submitted re SRC Recycling, Eastergate.

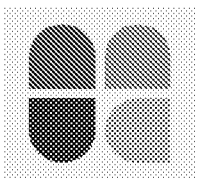

For expediency, I have attached the revised TA which includes the aforementioned design / assessment for reference.

If you haven't been consulted on it yet, I expect you will soon.

Please give me a call if you have any queries or need any tweaks to the submission.

Regards,

Alex Budd
