Dear Neil,

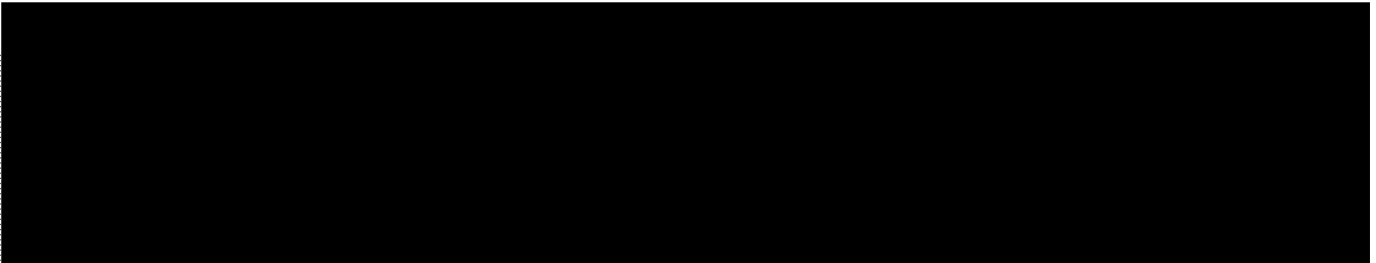

Please find attached amended Location and Block plan with site boundary dimensions and scale bars, labelled ground floor plan and new and labelled first floor plan and updated existing elevations with annotations (I have made no change to the proposed elevations drawing as this was already labelled; please confirm I have interpreted your request correctly?). Regarding the property address, Limmer Pond Cottage now encompasses what are marked as cottages 1 & 2 on your local authority mapping system; I believe this has been the case for the past forty years or so.

The first floorplan has been given the drawing title 06 for ease as the preceding drawing numbers are already listed in the written application form.

In addition to the above, I have updated the roof plan as the roof lantern wasn't in the correct position, hence I also attach this to this email.

Please let me know that this update now provides all the information you require.

Kind regards
