Subject: RE: Urgent Planning Objections by Aldingbourne Parish Council

Dear Lindy,

I am sorry for your loss.

With regard to **AL/51/19/PL**, you should note that we posted yellow notices in the following locations on the 9th July:

Tel pole opposite the entrance to the David Wilson Homes site;

Tel pole opposite Springfields;

'30mph' road sign outside Karenza on Hook Lane; and

Tel pole outside Tig Alunni on Hook Lane.

However, I agree that they have not provided the reptile survey as set out in their ecology statement and in the comments of our ecologist. We cannot determine the application without this document (other than to refuse). Therefore, I will grant you an extension of time until 01 September 2019.
