Dear Kerry,

Sorry for the delay. I have spoken with Mark today and his thoughts are that he appreciates the willingness to discuss the application from site, he sees little value in him attending unless further substantial information is being offered. He suggests you consider revising the layout in line with his last comments.

Kind Regards

Hi Simon.

Thanks for coming back to me on this.

We see that the drainage proposals have been accepted with recommended conditions which we are agreeable to.

With regard to the trees and the latest advice from Mark we are seeking further guidance from Lizard Landscape but wondered whether you would be agreeable to a site meeting to review the situation with us – please let me know your availability ?

Kind regards,
Kerry
