Hi Simon,

There are no further comments from this department following the amendments listed. I note that an e-mail from Kerry Simmons on 11/11/19 states "We see that the drainage proposals have been accepted with recommended conditions which we are agreeable to."

I wish to again clarify that my former consultation response quite clearly stated, "This is not to be interpreted as an approval of the proposed drainage scheme, (...)" If the application is approved and you apply the recommended conditions the applicant will have to formulate their drainage strategy in accordance with those conditions.

Kind Regards

Sarah Burrow
Engineering Assistant
