Hi Natalie,

I received these yesterday. Please see attached.

I will try to speak with our Group Head of Planning on Friday to check if he would agree a refusal of the application on these grounds.

Kind Regards

Hi Simon,

Further to our meeting on site of 10th January I would be grateful if you could advise us when we can expect comments from the tree officer Mark Warwick, in response to the submitted substitute plans. The substitute plans were prepared in response to comments from Mark dated 4th November addressing issues relating to the siting of Plots 2 to 4, and appeared on Arun's website on 9th December, some 6 weeks ago. As such we would appreciate feed-back on your likely recommendation and timescales for moving forward with the application.

Kind regards,
Natalie
