Ms Shurey,

Thank you for the plans and CIL Form.

Can you please complete the CIL form and email it back to me?

The floor plans look fine now.

The first location plan needs to have a scale and only have the area of the proposal highlighted in red and all other land that is owned/in control of the applicant in blue.

On the block plan (which is actually a location plan at a scale of 1:1250) needs to be at a scale of 1:500, clearly showing the position of the proposal. It does not need to be red edged.

When you resend all plans (including the floor plans and elevations of the stable) please send as separate pdfs.

If you have any questions, please let me know.

Thank you
Daun

Dear Mrs Johnson,

Attached amended plans as requested together with the Form 1 CIL and a plan showing the Surface Water Drainage Statement. I do hope these are acceptable.

My kind regards,
