Hello,

As requested I have updated the Block Plan with room labels and have included the Elevations in the same file.

If you could update the diagram with the missing boundary dimensions I would be very grateful as you probably have far better tools than I have to hand.

I also can confirm you can delete the initial location plan as the revised 1:500 plan is accurate.

Please let me know if you require any further updates to support validation.

Many Thanks,

Andrew Collingridge.

Hello,

Thank you for getting back to me.

In order to validate your application, you will need to submit:

All side elevations

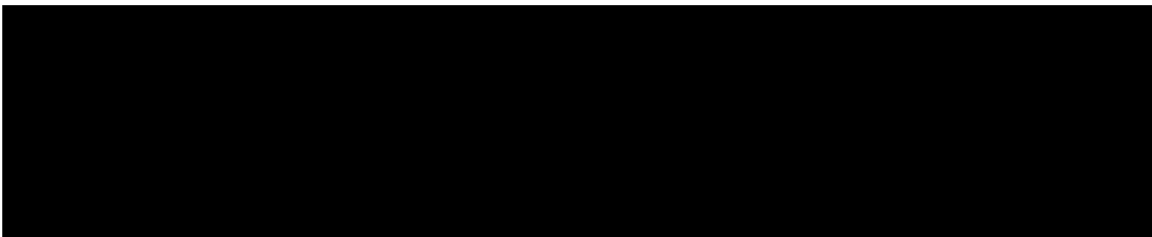

Block Plan Dimensions: You are required to have dimensions from the proposed extension to all site boundaries. Please amend or with your permission, we could amend it for you.

Floor Plans: Please add room labels to your floor plans.

Please confirm we can remove the location plan submitted that has the drawn on shed as its not to scale, however the other location plan is acceptable.

Kind Regards

Iqraa Malik

Dear Ms Malik

Please find attached the requested drawings and information in support of planning application AL/54/20/HH including the completed CIL form.

Please let me know if these are of sufficient quality and detail to support the requested planning application for the garden shed at Reed Cottage.

Yours Sincerely

Andrew Collingridge
