Dear Alex,

Thank you for these. I have sent onto WSCC. I also note from the Highways response of 06/08/18 that they requested:

- Provision of sustainable transport infrastructure that achieves the same impact as those currently being considered as part of the AL/115/17/OUT; and
- The applicant should also confirm acceptance of the strategic infrastructure contribution.

Have you considered these points?

Kind Regards

Simon,

Please see attached.

I am in the process of obtaining my clients' solicitors details, but with it being August, holidays are delaying this information.

I trust that the above addresses some “concerns”.

Happy to chat on the phone or meet to discuss.
